TO OUR FRIENDS AND CUSTOMERS

This is our bid for your business for the coming
crop of 1934 Beans and Peas which we have been
growing for past forty years. We cannot afford
at these prices to send a traveling man to see you
personally; the margin of profit does not warrant
that. We hope to receive your order by mail.

On the last page of this sheet you will find spot
price on such goods as we have in surplus crop of
1933.
